

# **Hemphill County Appraisal District**

## **2025 Annual Appraisal Report**

### **Introduction**

The Hemphill County Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and The Rules of the Texas Comptroller's Property Tax Assistance Division govern the operation of the appraisal district.

### **Mission Statement**

The mission of the Hemphill County Appraisal District is to discover, list and appraise property accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of the district and apply all qualified exemptions to the appropriate properties when the owner completes an application which has all necessary information for approval of the exemption. The CAD will strive to educate the property owner with their rights and remedies as prescribed by law. The district must make sure that each property owner is given the same consideration, information, and assistance. This will be done by administering the laws under the property tax system and operating under the standards of:

The Property Tax Assistance Division of the Texas State Comptroller's Office

The International Association of Assessing Officers

The Uniform Standards of Professional Appraisal Practice

### **Governance**

The appraisal district is governed by a Board of Directors with the primary responsibilities to:

Establish the district's office

Adopt its operating budget

Contract for necessary services

Hire a Chief Appraiser

Appoint the Appraisal Review Board members

Provide advice and consent to the Chief Appraiser concerning the appointment of the Agricultural Advisory Board

Approve contracts with appraisal firms selected by the Chief Appraiser to perform Appraisals

Adopt general policies on the operations of the district

Biennially approve a written plan for the periodic reappraisal of the property within the district

To be eligible to serve on the board of directors, a person must have resided within the boundaries of the county for at least two years prior to their appointment. The board is appointed by the taxing entities in this district.

The Chief Appraiser is the chief administrator of the appraisal district and is hired by the board of directors.

Appraisal Review Board Members are chosen by the District Judge to settle value disputes between the property owner and the appraisal district. They serve staggered terms and may serve 3 consecutive terms of 2 years. The Texas comptroller instructs the board members on their course of duties.

The Ag Advisory Board is appointed by the Board of Directors at the recommendation of the Chief Appraiser. This board helps determine typical practices and standards for agricultural activities in the district. They serve at the will of the Board of Directors.

### **Exemption Data**

Property owners may qualify for a variety of exemptions as provided by the Texas Constitution. Some of the most commonly occurring exemptions are described below. Other less occurring exemptions are available and described at the Comptroller's web site. <http://www.window.state.tx.us/taxinfo/proptax/exmptns.html>

## **Residential homesteads**

<b>Entity</b>	<b>General</b>	<b>Over 65</b>	<b>Disability</b>	<b>DVHS</b>
Hemphill County	20% or 5,000	Freezes	Freezes	100%
Special Road/Bridge	3,000 & 20% or 5,000	Freezes	Freezes	100%

Homestead applications for the 65 and older property owner, the disabled property owner, and surviving spouse of each of those (if the spouse is 55 or older) creates a tax ceiling prohibiting increased taxes on the homestead on existing buildings. Any new areas added to the home site will cause the ceiling to be readjusted in the next tax year. Homestead exemptions available on 20 acres with home.

All homeowners with qualified homesteads are subjects to the placement of a homestead cap which prohibits the increase of taxable value on the homestead property to ten percent per year. Market value can still be reflective of the local real estate market.

## **Disable Veterans**

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs.
